What we Offer

We offer Water Treatment Plant, Effluent Treatment Plant, Sewage Treatment Plant, Annual Maintenance Contract (AMC) of ETP, STP & WTP Economical And Effective Water Treatment Solutions, Mineral Water Plant, For Controlling Water And Air Pollution.

Water Treatment plant

- Effluent Treatment plant
- Sewage Treatment plant
- Operation & Maintenance Services
- Environmental Consultancy Services
- Reverse Osmosis Plant (RO)
- Water Softener Plant
- Ultra Filtration (UF)
- DM Plants
- All Types Chemical Supply

About Us

Clean Drops Aqua Pvt.Ltd. a trusted name amongst environmental solution provider companies in Mumbai india, is indulged in manufacturing, supplying and exporting water treatment plants and water treatment equipments across the country. be it a complete environmental solution provider, Clean Drops Aqua Pvt. Ltd. offers effective and one-stop-water treatment solutions for Industrial, Commercial, Municipal and residential verticals.
